OUR CUSTOMERS SAY WE ARE THE BEST!

Thank you for your wonderful services. I have been using canadameds for two years. I could not afford to take Zanaflex 4mg if I had to purchase it in MY OWN country. I am 66 yrs old and I acquired an internal phone # for the FDA and call every couple of weeks to make it clear that bowing to greedy US distributors will not be the prudent thing to do unless they want people on crutches and wheelchairs marching and rolling to Wash. DC.

We both had to return to work part-time in order to pay for drugs and insurance premiums. Canadameds has been a lifesaver for my husband as he has so many expensive medications. Just one of his present inhalers cost over \$207 here and he uses Advair twice a day. We have to charge most of his prescriptions even with our part-time income but canadameds has allowed us to be able to get him the medications he needs. Thanks for providing this service. It is truly a blessing for us.
